CUET (UG) – 2022 (Phase II)	04, 05, and 06 August 2022	02 August 2022 (Tuesday)	https://cuet.samarth.ac.in/

Every effort is being made to provide candidates their first choice of city. However, due to insufficient number of registered candidates in a City or insufficient number of secure nodes, a different city may have been allotted in some cases. This is being done as per the policy of the NTA.

However, such candidates have been given a choice to either avail the examination facility at the different City allotted now or exercise the option to appear in the earlier City at a later date i.e., after 10 August 2022. These candidates are requested to exercise this option before downloading their Admit Cards and their examinations will be scheduled after 10 August 2022. This option can be seen on the official website of CUET (UG) for downloading the Admit Card.

A few representations were also received from the candidates who have other entrance and competitive examinations during this period, or who have been affected by flood, etc. Such requests have been considered and their City/date has been changed.
