Dear Sir/Madam,  
Greetings from Nava Data!

I am Shreetama, Operations Manager in Nava Data Pvt Ltd. It is a startup company based in Kolkata, born out of the vision to create vernacular and voice-based technology for the next billion users of India to enable independent and confident use of digital services. Currently we have a huge vacancy for Sanskrit Language for which we are looking for eligible candidates who are fluent in Sanskrit.

Here I would like to briefly mention the key aspects regarding the position-

**About the position:** We are urgently hiring **Language Consultants (15-20 candidates required)** and **Language Resource Manager (1 candidate required)**.

Language Consultant (LC) position is contractual and the person can do freelancing and Language Resource Manager's (LRM) is a full time contractual position. Both the positions are remote in nature.

**Remuneration:** We are currently offering Rs 20000 as their monthly salary for LRM and for LC it will be 1500/hour for the work contributed

**Requirement:** The candidates must be-

1. Candidates must have excellent command over the Sanskrit language (both written and spoken)
2. They should have basic knowledge in English (to communicate with the internal team)
3. Must have access to their own laptop with good internet connection
4. LRM should be able to join as a full timer (10 AM- 6 PM)
5. Must be flexible to learn and adapt to new things, and should have a strong work ethic
6. Can join us immediately

*I would request you to kindly connect with me with your placement cell so that I can take this forward. Please note we are offering a paid internship option as well.*

Looking forward to having a long time collaboration with your institutions. Please let me know if you have any concerns.

Warm Regards,  
Shreetama Ghosal  
Operations Manager
