Professor Kumar Suresh

Head

Department of Educational Administration

Subject: Training-cum-Capacity Development Programme for Academic Administrators of the Central Sanskrit University from 14 November to 18 November 2023-reg.

Dear Prof. Pawan Kumar,

As per our discussion, a quick need assessment for training programme for Academic Administrators of Central Sanskrit University is proposed to be done. Initially we had planned to visit select institutions. The idea of visiting these institutions is deferred for the time being. In the meantime, we would like to collect data through Google Form Questionnaires. The Google form developed by us aims at capturing the context of functioning of the institutions under the CSU. Secondly, it also attempts to understand the need for training for Academic Administrators.

We have developed 4 Google forms as per the details given along with links.

- For Campuses/ Institutions https://forms.gle/mQznVEqFuBM4gCxT9
- ii. For Academic Administrators (Directors/ Deans/ HODs)
 - https://forms.gle/2gEuv1B1XR8YWV4f6
- iii. For Faculty https://forms.gle/yUgMatu6KifQg5pt8
- iv. For Students https://forms.gle/6CJGhiFfG6eWpxNw8

All the campuses may be requested to get it completed at the earliest latest by 3 November 2023. We would also like to request you to please share the details (email, mobile number along with the address of the prospective participants). We will start communicating with them. The email and mobile numbers are required for the purpose of creating whatsApp group for quick communication. The email will be used for setting up Google classroom. All the resource material/details of resource person/information brochure/activities etc. shall be uploaded in the Google classroom.

Also attached please find a template of letter which we send to the prospective participants with all the details of venue and hostel.

Needful may be done at the earliest.

With best regards,
