Prof. Bhupesh Kumar Singh <bksingh@jpramity.edu>
To: Akshat Shrivastava <ashrivastava@pr.amity.edu>

Dear Sir/Ma'am,
Greetings!!

I am writing to share an exciting opportunity for highly motivated PhD scholars at your esteemed institute to join our dynamic research and faculty team.

We would be grateful if you could circulate this information among your PhD scholars and encourage them to consider this opportunity. If you or your students have any questions or need further information, please do not hesitate to contact me directly by reply to this email.

Thank you for your time and support. We look forward to the possibility of welcoming talented scholars from your institute to our research community.

Regards,

Respected Professor,
Greetings!!

My name is Dr. Bhupash Kumar Singh, Deputy Director- Amity School of Engineering & Technology, Amity University Rajasthan, Jaipur. I am writing to you on behalf of Amity University Rajasthan. I am reaching out with a specific inquiry that pertains to the talented pool of PhD graduates from your esteemed institution.

At Amity University Rajasthan, we are committed to promoting excellence in education and research in the field of Computer Science Engineering. As part of our continuous efforts to enhance the academic environment and provide the best possible learning experience for our students, we are seeking highly qualified and motivated individuals to join our faculty as Assistant Professors.

Having been aware of the outstanding research and academic achievements of your institution, we are particularly interested in inviting PhD students who are on the verge of completing their doctoral studies or have recently completed their PhDs in Computer Science Engineering.

We believe that your PhD graduates possess the skills, knowledge, and innovative mindset that align with our university's vision and objectives. We are keen on offering them an opportunity to contribute to our academic community and make a significant impact on the future generation of computer engineers / scientists.

If it is not too much trouble, we kindly request you to share the details of PhD students who meet the following criteria:

1. PhD candidates who are on the verge of completing their doctoral studies in Computer Science Engineering.
2. Recently graduated PhD scholars in Computer Science Engineering, preferably within the last 2 years.
3. Candidates who have demonstrated excellence in research, teaching, and possess a passion for academic growth.

Rest assured, we will handle all inquiries with the utmost confidentiality and professionalism.

Amity University Rajasthan, located in a beautiful campus in Jaipur, offers state-of-the-art facilities, a vibrant academic community, and an enriching environment for professional and personal growth. Selected candidates will have access to ample opportunities for research collaboration, professional development, and a supportive work culture.

We look forward to receiving the details of eligible candidates and commencing discussions about potential collaborations. If you require any further information or have any questions, please do not hesitate to reach out to me at bksingh@jpr.amity.edu or Director -HR at ashnvastava@jpr.amity.edu or 9179221139.

Thank you for considering our invitation, and we eagerly await your response.
