The organization has grown leaps and bounds achieving phenomenal results making it a success story. We were pleasantly surprised to acknowledge that 107 foreign countries participated in the competition.

We took baby steps in organizing the National Students Paryavaran Competition (NSPC) online in the year **2022**. In this competition more than 55,000 schools and 8,46,000 students participated across the country.

In the year **2023** more than 72,000 Educational institutes and more than 6,50,000 students participated. The icing on the cake was that 103 foreign countries also participated in this completion.

In the year 2024 more than 45,022 Educational institutes and more than 7,09,173 students participated. The icing on the cake was that 107 foreign countries also participated in this completion. This year we are expecting much more participation than the previous three years.

Aims & Objectives of the Program:

1. Holistic Actions for Revival of Indigenous Traditions (HARIT).
2. To foster understanding among young individuals and the general public regarding the intricate complexities of the imminent threats posed by unchecked climate destruction.
3. To acquire knowledge on the job skills, competency & attitude to confront the environmental challenges & their mitigation.
