Namaste Sir/Madam,

Greetings from Vyoma Linguistic Labs Foundation, a dedicated Sanskrit E-Learning platform committed to making Indian Knowledge Systems (IKS) education accessible, engaging, and academically enriching.

It gives us great pleasure to introduce the **12-credit Masters' Training Programme on Political Science, Economics & Strategic Sciences**, offered by Vyoma in joint collaboration with the IKS Division, Ministry of Education.

The programme is designed to equip participants with a deeper understanding of Indian Knowledge Systems, the Bhāratīya Arthaśāstra tradition, Sanskrit for engaging with classical knowledge texts, and their relevance to contemporary governance, economics, strategy, and management.

Designed for academic Professionals, this programme is specifically intended for:

- **Faculty members**
- **Researchers**
- **Ph.D scholars**

The programme will be particularly valuable for those seeking to integrate Bhāratīya knowledge perspectives into teaching, research, and professional practice.

We kindly request you to encourage interested faculty members, researchers, and Ph.D scholars from your institution to enroll and benefit from this unique learning opportunity.

Please find attached the programme flyer and the course page - www.sanskritfromhome.org, which provides further details about the programme and enrolment.

We would be truly obliged if you could share this initiative with the relevant members of your academic community and encourage interested participants to join.

Steps to enroll:

1. **Register/Login:** Visit sanskritfromhome.org and register using your official email ID, if not already registered.

2. **Register to the course:**

i. Visit the course page - [Masters' Training Programme on Political Science](#),

- ii. Click the Register button and fill the details in the Google-form.

Warm regards,

Dr. Venkatasubramanian P
