NATIONAL LANGUAGE CONFERENCE

March 31 – April 1 & 2, 2021

Puri, Odisha

Jointly Organized by

Institute of Odia Studies and Research, Sri Jagannath Sanskrit Vishwavidyalaya, Shri Vihara, Puri, Bhubaneswar

Background:

Odia was recognized as a Classical Language by the Government of India in 2014, looking upon its prehistoric and sustained history for over 2500 years. It was however realized by the Institute of Odia Studies & Research (IOSR) that this recognition alone could not ensure the progress of Odia as a Language of Development (through extensive use) and Language of Knowledge (medium of diverse fields of endeavours). During 2014 to 2020, IOSR organized Six National Language Conferences which were attended by scholars and enthusiasts from across the country and abroad, covering the fields of Linguistics, Languages & Literature. Such an event marked the importance to exchange ideas between intellectuals from various language-regions of India as well between people representing various knowledge-disciplines from across the world.
