Yes	**Yes**	**No**	**Yes**	**Yes**

1.4.2 How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

The Campus collects the feedback on curriculum aspects and courses and teachers from different stake holders such as students, alumni, parents, periodical analysis is made on student performance, faculty performance, parameters of infrastructure, syllabi, welfare measures to be undertaken etc. The Campus maintains on IQAC s a quality enhancement measure. Under the supervision of Campus authority various cells like career guidance, Anti ragging, sexual harassment cell and different Committees reinforce the guidelines from time to time.

The department initiates structured feedback activity to obtain feedback from internal and external stakeholders, parents, students, employer and teachers. Where in which the feedback is collected on various points analyzed and appropriates actions are taken.

Overall Alumni have suggested that the department should focus on improving communication skills, personality development, Self motivation, Confidence and good mentoring. They also suggested that department should Add some significant papers in the course. According to them library facilities need to be improved by adding some reference book. More internship facilities be made available to students for better teaching capacity exposure. Some special care is also needed for preparing the students for competitive exams such as OTET, CTET, NET, Educational Guidance and career counseling.

As per parents suggestion the students must be involve in the teaching based projects for which more interaction with the students is required. They suggested that examination system is good and they are satisfied about overall academic system. From their point of view mentors interaction with students can be more effective. Use of video lectures for theory must be carried out.

Students felt that library hours should be increased for their self study. They also suggested that the number of library books are not sufficient, on few activities clarity of explanation needed more i.e. psycho lab experiments, lab manuals are perfectly maintained. For them expert lectures can be arranged for fundamental subjects also.

 Feedback from the employer side shows that students teaching skill is good. Potential of the students is appreciable and they have good rating with respect to being to new ideas and learning of new technology.

Teacher's feedback was to introduce new projects and technology based workshop.

Utilization :-

Department has been provided with library facility to access research papers, different workshops and seminars are organized, special interests given to the students, conducting various competitions and tests of knowledge, ethics and communications etc..

Department strengthening their staffs through counseling and they are motivated for using the ICT in classroom.

 Yes/No/Partial:

6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

❖ Curriculum Development

 The qualitative development is the primary aim of any Educational institution. Right now the central Sanskrit university also works for better intellectual wealth of students. While this university is a Sanskrit enhancement university but there are many courses run beyond of Sanskrit literature, grammar, philosophy etc. just like teacher training course and modern subjects like as English Hindi, History political Science etc. According to need of society and nation this university improves their Syllabus and Curriculum. Teachers are responsible for ensuring that their lesion planning and goals meets the student's educational need, the desire outcomes of the curriculum and that the materials used are current and comprehensive. This University provides a better environment in which students can gain themselves motivation and compete with new challenges of society. There is a rich library and provides computer facilities for research scholar. Our university builds up a better environment for sport academic competition.

❖ Teaching and Learning

The Campus has well maintained adequate infrastructural facilities for all programme offered. Every department is equipped with class rooms for +2 , Graduate , Post Graduate , Research seminar room etc. Each class room is provided with white black board , lecture stand. The labs well equipped. The campus is WiFi. The campus is having one smart class room also. The campus has provided ICT facilities, Power point presentation, audio visual aids, projector, video conferencing etc. The students performance is assessed continuously through various assessment methods like class room performance, tutorials, quizzes, assignments, projects, internal examinations etc.

 Teaching and learning are basic component of an academic institution. This is the basic focus of our university on teaching learning. While this is a Sanskrit based university but all types

of new and legend methods, technique and strategies are followed by the institution. Common teaching method of Shastra Shikshan is lecture but time to time flipped learning is focused by scholars and faculties. Including this type of teaching method **Shastrarth** is another splendid method for Shastra Shikshan.

Shiksha Shastra is an imminent course of our university. Where it is main focused subject that how to gain better Learning by students. Cause of not only the different types of teaching methods are used by faculties but some times they also exercise new methods according their experiences. Just like Shstreeya Quiz, Viadic Games. Heuristic Method etc. Except to these type of methods, our faculty are habitual to teach by PPT, online teaching learning method, blended learning, panel discussion method, group method etc.

Weekly seminars are also conducted by every department of our campus. In which the main focusing subject has become to enrich the Sanskrit Language including with the personality empowerment. .

❖ Examination and Evaluation

There are two types of Evaluation which is our common behavior. first one is sustainable evaluation and next one is sessional or final examination. Generally every teacher focus on qualitative growth of students. Due to this they evaluates the students during their teaching period in mode of vocal questioning and written way. For the comprehensive evaluation, A better examination policy maintains our university, which has a concrete structure of Examination. In our examination system academic and nonacademic both part of quality are examine by University. 20% marks are separated for students nonacademic evaluation. In which students punctuality, discipline, participation in co-curriculum activities and games.

❖ Research and Development

❖ Qualitative research has always been primary as far as the campus is concerned. An All India Entrance test for Vidyavaridhi conducted by Central Sanskrit University which involves the selection of prospective candidates. An orientation and course work also conducted. The Research Scholarships are allowed to visit reputed libraries to acquire knowledge. They are encouraged to participate and present paper in seminars, conferences, workshops etc. They are also inspired to constitute research papers, articles in different magazine, journals etc. To enhance their knowledge in their respective filed they are also assigned classes. All faculty members are emboldened to write papers for journals and to attend seminars and conferences to present Research papers. Every department is bringing out department magazine having ISSN numbers. Apart from the above, extension lecture series are also being organized by departments to sharpen the knowledge of the faculties and Research scholars. The campus library and

Research reading room provided with internet facility campus library provides full information to the students. The faculty and Research scholars have free access to e-journals. To encourage research to reach the valuable articles, Research papers 6 e-journals of our campus takes care of it.

❖ Library, ICT and Physical Infrastructure / Instrumentation

To provide qualitative education to the students has been the sole objective of the campus. To achieve this goal different strategies being practiced by the Campus.
Library plays a vital role in this regard. The campus library is an old and rich library in the state. Many rare books, manuscripts are the pride of the library E-Granthalaya project begins in Library. Every department has its own departmental library. The Research room computer lab is WIFI. CC TV cameras are installed in library, academic block for security . WIFI facility is available in office and departments. All departments are provided with one smart classroom, AC class room and equipped with whiteboard , Godrej make two seaters. Facilities of video conferencing is available in the campus and also one seminar hall, two conference rooms , auditorium of capacity 1000 and 500 are there in the campus to cater to the need.

❖ Human Resource Management

The campus provides the best teaching learning environment with helps in attracting the best talent. Career progression for teaching is supported. Seminars , workshops , extension lecture organized to enhance the scholastic potential and capacity of faculties and Research Scholars. The campus supports the optimum utilization of Human Resource by way of care of ICT and networking.

❖ Industry Interaction / Collaboration

while there is no industry collaboration with our university. But our institution manages a ceremonial relation with the industries and some other modern institution. Many times the directors and other senior officers of NALCo. Has visited our Institution Shree Sadashiva Campus of Central Sanskrit University. Just like it National Blood Bank and some actors of Odisha film industry has been visited our campus.

Our institution is not attached with any industry right now but in future this type of opportunity will be seen then we will shake hands positively. We are seeking and thinking positively in respect of new education policy where this type of chances will generate.

❖ Admission of Students

Admission procedure for different programme of the campus is executed in a very transparent manner. To oversee the admission into 1st year courses of Prak- Shastri, Shastri , Acharya different admission Committee are constituted. As per the calendar

admission notice published in website and regional newspapers. The admission into Prak Shastri, Shastri done through online entrance exam conducted by the campus. The questions for the said exam is prepared very confidentially. The qualified students on merit basis given admission into Prak- Shastri and Shastri . At Shastri level traditional subject choice is finalized on the basis on marks. For Acharya admission notice published and intervened students apply in one form for different subjects on the basis of choice. The selection done by the department admission Committee. Selection done purely on the basis of marks obtained in the qualifying exam /subject etc. As regards , Siksha Shastra, Siksha Acharya, Vidya Varidhi All India entrance examination conducted by Central Sanskrit University and the whole process with campus allotment done on the basis of merit in Entrance and campus Shastra, Siksha Acharya admission Committee only verify the documents and admit them.

Protection and preservation of this Guru - Shishya (tradition) is itself a challenging job in the present materialistic society . This practice may be traced back to ancient Gurukulasdeveloped during the period of Vashishtha, Sandipani and Kanva . Most of the Sanskrit Universities and colleges are rigorously following this tradition. If the Shastras are protected, then its credit goes to thiese incredible Indian *Guru - ShishyaParampara* only. In all over India, there are so many living Gurukulas where students are learning Shastras from very early age. There are Sanskrit Pathashaalas where the students are getting admissions at early age to study different Shastras traditionally from eighth class. All these *Gurukula's* and *Pathashaala*'s are in fact feeders of our Sanskrit institutions for Higher Education.   For the benefit of the teachers, we are strictly following the U.G.C. norms of Career Advancement Scheme. We have adopted an institution friendly and pro teacher approach to administration for which we are interacting with the faculties of different departments and trying to solve their problems at our level. Apart from this, we have formed different Committees for good governance and better interaction and our achievement in this direction is quite spectacular. We have to create many mile stones in the path of progress to promote Sanskrit which is considered as the hidden treasure buried under heaps of rubbish.

The syllabus and curriculum designed by this University are mainly based on Sanskrit learning and job oriented. It is also felt that Sanskrit is nearer to the Computer and closer to Management, Human Resources Development and Medicine. The aim of Sansthan is to link Sanskrit with modern technology so that the Sciences of Charaka, Shusruta, Chanakya, Bharadvaja and Barahamihira come out for the welfare of the human society.

In addition to Science and Technology, we have achieved many more with regard to financial development for mundane pleasure. This growth is unhealthy and stays away from peace and tranquillity. Sanskrit provides peace and satisfaction to the human being. It is felt that foreigners being tired of with materialism have accepted the Indian way of life.

The eighth schedule of Indian constitution envisages the importance of Sanskrit language. After independence, for the promotion and propagation of this language, Govt. of India established Sanskrit Commission in 1956 under the Chairmanship of Sri Suniti Kumar Chatterjee. On its recommendations, Rashtriya Sanskrit Sansthan and State Sanskrit Academies were established having momentum in achieving the goal. The campus is taken over by the Rashtriya Sanskrit Sansthan and the erstwhile Shri Sadashiva College was renamed as Shri Sadshiva Kendriya Sanskrit Vidyapeetha, Puri and subsequently declared as deemed to University on 7.5.2002 and ever since it is progressing in all dimensions achieving its multifarious objectives.

1. Permanent appointed experienced faculty.
2. Active participation of students in University activities.
3. Infra-structural facility of the University extended to the local Community for service.
4. Eco-friendly campus.
5. Parents teacher Association (PTA)
6. Alumini-Association
7. Women's Empowerment Cell to inculcate a consciousness among them for Sanskrit learning and also to enable themselves for fighting against social injustice inflicted here & there upon them.

The Campus is facing a lot of problems as there is less number of supporting Teaching & Non-Teaching Staff to run the administrative office as well as teaching Departments. As result of which teaching and office works affected the normal academic growth of the campus.

Large no. of buildings have been constructed in the campus financial assistance from the MHRD. A multi purpose Hall, Admin block, 2 block are a bare necessity. For its maintenance, repair and renovation no maintenance wing has yet been established. The University being situated near by sea shore, the buildings suffer deterioration due to saline climate which needs immediate and timely repair and maintenance. The University is six kms. away from the District Head quarter Hospital, Puri. Where as no free medical facilities in near by areas are available. The Health Centre of the Campus is having only one part time Doctor and at times it creates problem on his part to cater to the needs of the students.

Though there is standard Library Building, but lack of adequate staff text books, reference books, journals the teachers and students are not getting the benefit as they should.

7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust

Provide the weblink of the institution in not more than 500 words

Puri is world famous holy abode of Lord Jaganath temple which is one among four Dhams of India.So Sanskrit is essence of Puri culture and tradition from time immemorial Puri temple is famous world wide for the Universal brotherhood. No discrimnnatino in Puri with regard to rich, poor, sex caste. The Prasad of Lord Jagananth is known as Mahaparasad and there is no bar in pertking Mahaparasad by all. .In earlier days Puri was a hub of eminent Sanskrit scholars. Our institution has a vital role to distribute Sanskrit knowledge in all categories of people openly .So many poor Brahmin students are benefited by our institution ,which help them in their livelihood .Our campus has big and beautiful garden to enrich the environment as well as the beauty of our campus. The big playground not only helps our students to play different games but also the local people to play in that ground. Our big auditorium hall is unique in itself in the Puri city. Therefore our campus has a unique place in the heart of Odisha people. Puri campus is the biggest under sansthan interm of students, staff strength also having maximum number of deparments. Many alumni of our campus engaged VCs in different renowned Universities and other key posts.

The Department is to educate, empower and promote intellect through holistic learning towards individual growth and social progress. So Department's missions are

- To proved qualitative higher education hailing from rural as well as urban background students.
- To facilitate critical thinking and creativity.
- To impart knowledge and skill for the development of the self through value based education.
- To strive for excellence with the state of the Sanskrit, art, value facilities etc.

To remove the critical impediments the campus works jointly to enable the students to strengthen their capacities through contextualized response.

Students are trained in values through seminars, workshops, youth festivals etc. As the department believes that it is vital for the individual success as well as of society.

Students are motivated to participate in diverse sports activities and have won prizes at the inter college, state and national level competitions. Each teacher is aware of students detail which is an unique and distinct feature of our department. Apart from this department organizes different social awareness programs which help the students to understand the social system and integrate their learning.

Hence all measures are taken by the H.O.D, departmental staff to strive towards academic excellence, individual growth and ultimately for social progress and gainful employment.
